

How to upload the CVI webinar slides into Google Slides

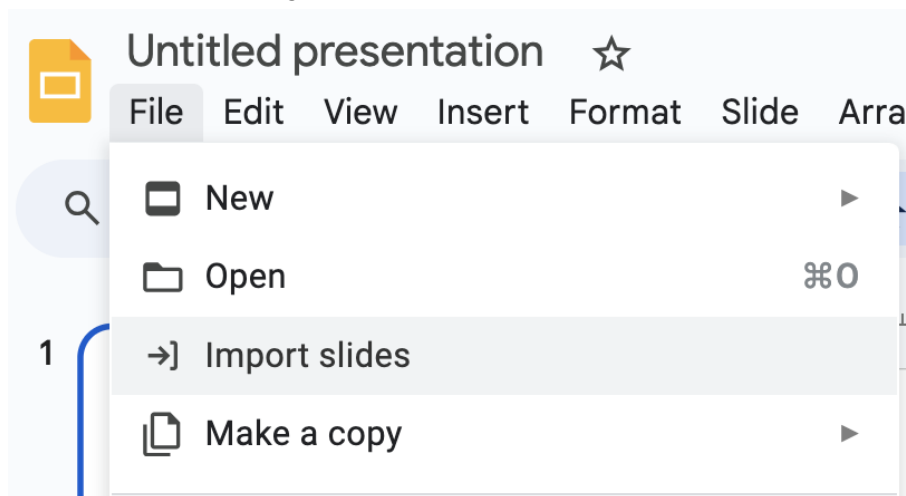

The CVI webinar slides can be used to train your organization how to use the CVI.

How to upload the CVI webinar slides into Google Slides:

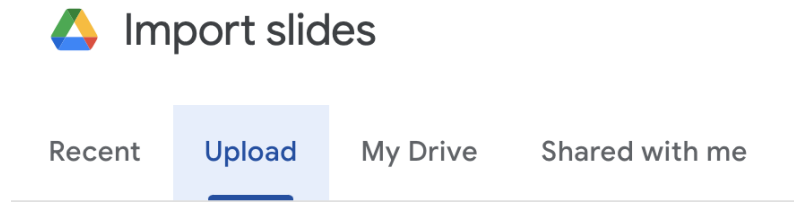

1. Download the PowerPoint file onto your computer
2. Log into your Google account and go to drive.google.com
3. Click on “New” and select “Google Slides”

4. In the new document, go to “File” → “Import Slides”

5. Select “Upload” and find the file on your computer

6. That's it! You're done and ready to use these slides

Note:

- If your device has an “open this file in Google Slides” option, please click on this option and disregard the instructions above
